## 2007-2008 Child-Family-Church Covenant

### **Church:**

- We will support families in teaching our children about God's love and encouraging them to be faithful by offering educational opportunities and providing resources.
- We will provide safe, age appropriate, and theologically sound education opportunities for our children.
- As teachers, we will be prepared for class on Sunday mornings and be eager to learn with the children.

### **Children:**

- I am in church school to learn about God, Jesus, and the Holy Spirit. I will focus on God when I am here.
- The adult leaders are here to help me learn. I will respect them, listen to them, and be kind to them.
- God teaches us to care for all people. Because I care, I promise to be kind to my classmates. I will keep my hands and feet to myself. I will listen when others are speaking.
- I will treat the church's property with love, care and respect.
- I will treat others as I want to be treated.

### **Families:**

- As a family we will strive to attend Sunday morning educational opportunities, recognizing that consistency is important for our own faith development and the faith development of our children.
- We will create opportunities for practicing our faith at home and talk to our children about faith.
- We will model prayer as an integral part of our faith.

I will do my best to keep these promises.
